**AFFIDAVIT OF BLAKE JENNINGS**

**STATE OF ALABAMA** )  
 )  
**COUNTY OF TALLAPOOSA** )

**BEFORE ME**, the undersigned authority and Notary Public in and for said County and State at large, personally appeared Blake Jennings, who being known to me and being by me first duly sworn on oath deposes and says as follows:

1. My name is Blake Jennings. I am over the age of nineteen and competent to make this affidavit. I have personal knowledge of the matters set forth in this affidavit.

2. I have been employed by the Tallapoosa County Sheriff's Department since 1998. On March 19, 2005, I became the Jail Administrator of the Tallapoosa County Jail.

3. I am familiar with the Plaintiff due to his incarceration in the Tallapoosa County Jail.

4. I state affirmatively that I neither acted, nor caused anyone to act, in such a manner as to deprive the Plaintiff of any right to which he was entitled.

5. It is the policy of the Tallapoosa County Jail that access to appropriate health care services are provided for the inmates of the Jail for their physical and emotional well-being.

6. The Jail employs a Registered Nurse, Nurse Cathy DuBose, who is on duty from 8:00 a.m. until 5:00 p.m. on Mondays through Fridays. She is on call at all times of the day and night. Robert Schuster, M.D., also comes to the Tallapoosa County Jail regularly to see inmates who are referred to him by Nurse DuBose.

7. An inmate requesting any type of health care services may submit either an Inmate Request Form or Medical Request/Charge Sheet stating the service desired. The shift supervisor ensures that the medical protocol is followed to ensure a safe and secure manner is maintained.

8. Except in the case of an emergency, each inmate requesting medical services is screened by the jail nurse who then makes a referral to a physician if it is determined that a physician visit is appropriate. In the event of a medical emergency, or a perceived medical emergency, the shift supervisor arranges for medical services without delay. All medical appointments, including appointments with the jail nurse, are logged by the jail staff in the inmate log.

9. Inmates are given prescription medication as prescribed. Medication is distributed according to instructions from the prescribing physician and is distributed by a jail staff member as directed by the jail nurse. Staff members of the Tallapoosa County Jail take no deliberate action to block, deny, or delay access of an inmate to health care.

10. The Plaintiff's allegation that I told him that I would lock him up in the holding cell if he wrote another letter to the United States District Court in Montgomery, Alabama, is completely fabricated. I never said anything like that to the Plaintiff or any other inmate.

11. The Plaintiff has never complained to me that he felt his life was in danger at the jail.

12. Internal grievance procedures at the Tallapoosa County Jail are available to all inmates and such policy is made known to the inmates upon their admission to the Jail via the Inmate Rules and Regulations Handbook. It is the policy of the Tallapoosa County Jail that inmates are permitted to submit grievances and that each grievance will be acted upon accordingly. Inmates are given an inmate grievance form upon their request to complete and return to a jail staff member for any grievance they may have. A copy of any grievance form which is filed by an inmate will be placed in the inmate's Inmate File.

13. Upon my review of the Plaintiff's inmate file, there is no grievance filed. Further, I never received a grievance from the Plaintiff.

14. I have complied with all policies and procedures of the Tallapoosa County Jail. I am not aware of nor have I authorized or allowed any deviation from said policies and procedures.

15. The Plaintiff was released from the Tallapoosa County Jail on December 27, 2005.

16. Inmates are permitted regular visits with their attorneys. The Tallapoosa County Jail has a law library that is available for use by inmates upon their request. Inmates are also given access to mail.

17. Attached to the Special Report are true and accurate documents contained in the Plaintiff's jail file. I am the custodian of such documents, which were kept by me in the ordinary course of my business.

18. I swear to the best of my present knowledge and information that the above statements are true; that I am competent to make this affidavit; and, the above statements are made by drawing from my personal knowledge of the situation.

12-16-05		<p>Continue to received request from Mr Moore regarding dentist as well as numerous problems i.e. penis hurts, wipes meat from rectum when he uses the Restroom. I got Mr Moore in my office and Mary Anna Adams as a witness as to what Mr Moore wanted. And what I could do to help. He requested I do another UA which I did and it was normal as well as the one was that I had done on 11-23-05. I explained that he is on the dentition list, but people are ahead of him as far back as July '05 and he was put on it in 11 '05. He said he needed something for pain. I explained that we only have Ibuprofen &amp; Tylenol for pain. He stated "I can't take Ibuprofen." I said I would give him Tylenol twice a day to see if that would help. He stated the Free World M.D. said he needed surgery. I explained that he would have to go through our M.D. if he went anywhere else for he as our M.D. has to order consults and he refused to let our M.D. even look at his back side. The last time he saw him. I ask if he would like to see him again and he said no would so I put him on the list to see him whenever I explain he only comes once a wk usually on Thursday. He has already been for this week so it will be next week before he comes again. I explained that only Emergency surgery is done while in jail and thing else that can wait till he is out of jail will have to be done on release. I explained that I didn't need a request to see the M.D. every day that when he comes I have 5 or 6 requests to see him and I only need one.</p> <p style="text-align: right;">C. LaBrock</p>
